### WHAT OUR MEMBERS SAY...

"My daughter really looks forward to 'Mix it Up' at Z-arts. We are so lucky that we have an arts space so close to her school, making it easy and quick to travel to. We would be lost without it, the staff are great with the kids, the place has a positive bright energy and community spirit!"

"My daughter used to be very anxious about joining in but through coming to Z-arts and in particular the ballet and street dance lessons with gentle encouragement from the teachers. My daughter has grown so much in confidence - even taking part in showcases and performing on stage to 100's of people. Without Z-arts I am not sure she would have this confidence."

"Z-arts is fantastic, keep up the good work. Children in Manchester are lucky to have such a great place to come"

"Z-arts is magic. It is a chance for kids to be creative. The staff and volunteers are amazing."

"A great place for children and adults. Always a welcoming reception from staff. Love it."

"Bright Stars drama is a brilliant class for my 6 year old - she loves taking part and especially loves the showcases, as do I!"
