

ALEIAH'S ADVENTURE VISUAL GUIDE

What is a Visual Guide?

A visual guide gives you lots of information about Z-arts and the show you are going to see, using pictures and accessible text.

They are suitable for anyone who would benefit from a clear and accessible introduction to Z-arts and the show you have booked to see.

Who will be in the show?

This is Aleiah.

Join Aleiah as she journeys through the city, meeting historical figures and local legends.

Discover old stories, told in new and exciting ways and help Aleiah find her way through the city she thought she knew.

What to expect in the show

The show features BSL and visual-storytelling throughout.

Music will be included in the show, but there are no sudden loud noises.

The characters may ask the audience for some help. You do not have to participate if you don't want to.
