What to expect in the show

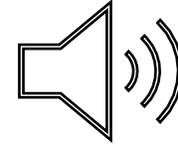

Hear how all the lands animals mysteriously go missing, and one little girl goes on a quest hoping to find her best friend - her missing goldfish!

There is an exciting battle between the biggest troll and all the captured animals.

Will Nicky save her goldfish? Spoiler: there is mild peril, but ultimately this story will have a happy end!

At the end of the story, Dommy B will invite you to help come up with words to make a great new animal celebration poem together - with lots of silliness and daft, happy animal noises! Join in if you want to!
