"Thank you so much for having us over half term - we felt so welcome and so well looked after, and it was clear what an amazing relationship Z-arts has with its audiences. The building really felt like it belonged to all the people within it, and as a result we weren't surprised to see the lively / vocal kids having a good time!

We would be grateful if you could please pass on our thanks to the tech team who were all so positive and helpful - always a joy when that happens.

We hope we get the chance to work together again soon, and we'll be looking out for what's coming up at Z-arts." Visiting Company
