

Grab it Rabbit!

We get our audiences to participate in a lot of our shows at the Big Imaginations Festival. We love shows like **Mole & Gecko: The Show!** and **First Person** to be interactive. Why don't you have a go joining in with this game, and grabbing all of the carrots?

What you will need

- Laptop/iPad
- Projector*
- Access to webpage:

<https://www.google.com/doodles/celebrating-50-years-of-kids-coding>

- Mouse

*Make sure you have the right wires to connect all of these together.

Method

- Attach your laptop to the projector, speakers and mouse
- Load up the webpage
- Click the Google banner at the top
- Try and complete the game!

Make It Simpler!

Use your mobile phone or iPad

Top tip:

Use the repeater to try and make the code shorter!
