VERSE 1

Think abooout it, there must be a
higher love
Down in the heart or hidden in the
stars **aboo-o-ove (3 steps)**
Without it, life is wasted time
Look inside your heart, and I'll look
inside **mii-ii-iine (3 steps)**

BRIDGE

Things look so bad everywhere
In this whole world, what is fair?
We walk the line and try to **see (4
steps)**
Fallin' behind in what could be, **oh (6
steps) simpler version 4 steps**

PRE-CHORUS

Bring me a higher love
Bring me a higher love, o-oh
Bring me a higher love
Where's that higher love I keep
thinking of?

CHORUS

That love, that love
Bring me higher **lo-ove, lo-ove**
That love, that love
Bring me higher love, oh
That love, that love
Bring me higher **lo-ove, lo-ove**

That love, that love
Bring me a higher love

[1 bar break]

VERSE 2

Worlds are turnin', and we're just
hanging on
Facing our fear, and standin' out there
alone
A yearning, yeah, and it's real to **me-e-
ee**
There must be someone who's feeling
for **me-e-ee**

BRIDGE

Things look so bad everywhere
In this whole world, what is fair?
We walk the line and try to **see (6
steps)**
Fallin' behind in what could be, oh

PRE-CHORUS

Bring me a higher love
Bring me a higher love, oh (oh)
Bring me a higher love
It's that higher love I keep thinking of

CHORUS

That love, that love
Bring me higher love, love
That love, that love
Bring me higher love, oh
That love, that love
Bring me higher love, love
That love, that love
Bring me a higher love
