What is a Family Vogue Ball?

A performer from each house will catwalk, dance and lip sync.

As an audience member, you can vote who will be crowned the winner. Or you can just watch the fun!

What to expect in the show

There will be lots of music and some flashing lights. We have ear defenders for little ones and grownups. Ask at Front Desk when you arrive.

There will be some audience participation in the show, but you do not have to get involved if you don't want to.
