

**The Egg, Theatre Royal Bath
Snow Mouse
Casting Brief**

We are casting for a bright, dynamic north-west based performer with a warm and engaging energy on stage to play Snow Mouse’s friend in our production at Z-Arts Manchester this Christmas.

We are looking for an expressive and confident physical performer, skilled in hand-held puppetry. Experience in creating work for young audiences and clowning is also desirable. Applications from performers from cultural heritages which are currently under-represented on stage in children’s theatre would also be very welcome.

Returning for a ninth year, Snow Mouse is a gentle theatrical experience for young audiences aged 6 months to four years and their families.
